You are very welcome. I hope you understand our concerns. I am available to discuss more if needed. By the way, understand that the final will be a quick turn. Secy Parker is TDY from 6-8 Apr which will make it problematic to respond for final. So if you can have something for me beforehand I will socialize it with him before he departs.

(b) (6),

Thanks for your note back. Including (b) (6) in this note to provide status. Though still being staffed, an interim or draft response would be most helpful to ensure we remain on track.

Many thanks,

(b) (6),

We have all responses to the Advancing Diversity in the Active Duty Officer Corps tasker that was due yesterday except Navy. (b) (6) has made contact with me this morning to inquire of the status as she is integrating all to ensure she meets her suspense to SECDEF.

Please send Navy's response ASAP to enable us to complete this task as all Services will have a 48 hour turnaround to respond on Monday and we cannot afford to be late.

Many thanks,

VR,
